The Churchwardens' Report.

EASTER, 1889.

In presenting their Report for the past year, the Churchwardens may congratulate the Vestry on the satisfactory results for the year of the finances of the Church, though the offertory has not averaged as much as last year.

The receipts, including the balances brought forward from last Easter, amount in all to the sum of $8,278.47; of this amount $1,139.29 was received through the Envelope System and 2,465.21 through the general offertory. The balance, $3,893.81 was contributed for special objects.

The average weekly offertory for the past year, including last Easter collection, amounts to $65.53, showing a decrease of 77 cents per Sunday compared with last year.

The amount received for the Mission Fund this year was about $200 in excess of each of the two previous years.

The special collections during the year on behalf of the Sunday School Building Fund amounted to $2.084.24; including the sum of $486.85 received from our Rector (St. James' Rectory Surplus Fund); the sum of $267.03, the proceeds of concerts given by the Choir, the Sunday School and the Guild; and $131.63 which we have transferred from the Church General Purpose Collections, at the suggestion of the Finance Committee. The sum of $490 was paid for interest on Mortgages to Imperial Loan and Investment Company; $28.98 for sundry small accounts; and $129.63 to the Treasurer of Building Fund, to pay obligations unforeseen at our last Easter meeting; also $1,500 was paid off Imperial Loan and Investment Company's mortgages, reducing the mortgages on the Sunday

School Building to $6,500, which is now the whole debt upon it. To do this, the Chuchwardens have overdrawn their bank account $64.10, which sum will be deducted from the next collection for the Sunday School Building Fund.

The Churchwardens have taken advantage of the reduction in the rates of insurance on churches and school-houses by cancelling old policies of $12,000 on the Church and $10,500 on the School-House, and getting renewals for same amounts at reduced rates for three years, effecting a saving thereby of about $60.

The Churchwardens would urge upon the Vestry the necessity of taking steps towards having the Church heated by furnaces, as in the near future it will be found necessary to purchase new stoves to re-place the old ones, if this is not done.

The Church is now put to considerable expense in constantly repairing the old stoves, and the Churchwardens think that if a furnace were placed in the front part of the Church, the heating of the whole building would be much more satisfactory.

The Churchwardens wish that more of the congregation would contribute through the Envelope System, as there are few comparatively now who do so. If this System were more generally adopted by the congregation, our collections, which are greatly diminished during inclement weather, would reach the amount it is necessary to collect during each year. The Churchwardens are entirely dependent upon the collections taken up in the Church during divine service, to support the Clergy, and to pay the necessary expenses incurred in keeping the Church in proper order and repair for the worshippers attending it. They therefore

ask all members of the Church to subscribe to the Envelope System.

It is also the pleasing duty of the Churchwardens to report that the Rev. Dr. Scadding has most kindly and generously placed in charge of the Rector a large number of most valuable Theological Works, to be the beginning of a Library for the use of the Clergy of this parish. The warmest thanks of all are due to Dr. Scadding for his useful gift.

In conclusion, the Churchwardens beg to tender their warmest thanks to the many ladies and gentlemen of the congregation who have so generously sustained them in all their undertakings.

All of which is respectfully submitted.

Application in respect to private baptism, marriages, sickness, funerals, or any other ministerial duty, can be made at the Parsonage, or to the Clergy after any of the services.

The Rector would be greatly obliged if all those who attend this Church, who are not known to him, would enter their names in one of the books kept for that purpose near the Font and at the West door, or call at the parsonage, 14 Trinity Square; or kindly send him a post-card, with their name and address.

Alms for the Poor.

The offerings at the early Communion, together with some additional sums placed in the general offertory for the purpose. amounting in all to $ 186.33, have been devoted to the relief of the poor.

The Dorcas Society.

This Society met during the months of October, November and December, and the money collected was laid out chiefly in flannel, cotton and shoes. This material was made up into articles of clothing, and distributed among the poorer members of the congregation. The balance was given to the Mothers' Meeting.

The Church Women's Guild.

This band of workers meet every Thursday afternoon. Their first object is to make and keep in repair the Choir Vestments. Surplices are made to order, and other garments are made and sold; the proceeds of which, with the monthly fee of ten cents, is given to the School House Fund. New members will be gladly welcomed.

The Mothers' Meeting.

This is a branch of the Dorcas Society, formed for the purpose of enabling the poorer women of the Congregation to assist in providing themselves and their families with clothing. The meetings have been conducted by Mrs. Turner and Mrs. Pearson on Thursday evenings, and have been much appreciated.

The Sewing Class.

The Children's Sewing Class consists of about thirty small children, and is carried on by the Misses Ince, Cavell, Sullivan, and Pearson. This Class meets every Saturday morning from half-past ten o'clock till twelve in the upper school room, and is in a prosperous condition. Contributions of colored prints, white muslin, or flannel, are always thankfully received.

Fuel and Clothing Club.

Mr. Beverley Jones, Mr. G. S. Holmested, *Trustees.*

This Club was formed to enabled its members, by putting aside a small sum each week, to practice economy and lay up in summer money to meet winter expenses for fuel and clothing, and also to secure for the members the advantage of getting these necessities at cheaper rates than they could otherwise do.

The Club had a membership of over one hundred and fifty during the past year, and their united savings amounted to $2,044.66.

The collectors, and amounts collected, were as follows :—

Any member of the Congregation not at present belonging to the Club, who is desirous of joining it, can do so by sending his or her name to Mrs. Pearson at the Parsonage.

ERNEST E. ARGLES, Sec-Treas.

The Church Guild.

In the autumn of last year the Young Men's Guild and the Young People's Association were amalgamated into one society, to which was given the name of "The Guild of the Church of the Holy Trinity, Toronto." During the season several entertainments and lectures were given by the new society, most of which were successful, and gave the highest satisfaction to those who found it convenient to attend. The lectures and addresses given by the Rector, the Rev. Prof. Clark, Lieut. Stupart, Mr. Saito, and the President, Mr. Sparling, were particularly enjoyable and instructive. After paying all necessary expenses, the Treasurer, Mr. C. Cameron, was enabled to hand over to the Churchwardens a considerable sum of money, chiefly raised by voluntary contributions.

The Guild will be re-formed next autumn, when it is hoped many more members of the congregation will interest themselves in it and attend its meetings.

G. NATTRESS, Secretary.

Girls' Friendly Society.

This Society continues to hold bi-weekly meetings from October until June. The elder girls are superintended by Mrs. and Miss Kenrick, and Mrs. Wood; the younger members by Miss Thompson, Mrs. Sullivan, and Mrs. Blackburn.

The work done is sometimes for missionary and sometimes for parochial purposes.

In the spring of 1888 they held a sale for the purpose of starting a Sick Fund for the members, which was very successful, and some of the girls have already benefitted by it. There is a small library in connection with the society. Donations of books would be gladly received.

Any girls wishing to become members of the Society, are requested to inform the Clergy, or Mrs. Sullivan, Trinity Square.

The Magazine, called "Church Work," has a monthly circulation of 150. New subscribers can leave their names at the Parsonage. Price 30 cents per annum.

CHAS. P. SPARLING, *Treasurer.*

Memorial to the late Rev. W. S. Darling.

The Committee reported that the Brass Tablet had been placed on the East wall of the South transept, engraved with the following inscription :

To the Glory of God,

and in memory of

William Stewart Darling, Priest,

Sometime Rector of this Parish, who for nearly thirty years laboured with unwearied energy for the welfare of its people, teaching fearlessly the principles of the Catholic Faith, and ever seeking to realize in the services of this Church the true ideal of the worship of the Church of England.

Born in Edinburgh, A.D. 1818. Died in Alassio, Italy, A.D. 1886.

The Committee also reported that a balance of $64.50 remained on hand after paying all expenses connected with the erection of the Tablet ; and it was resolved by the Vestry, that this sum should be applied towards the purchase of an additional silver chalice.

FORM OF DECLARATION

To be signed by Members of the Congregation who desire to become Members of the Vestry.

I SOLEMNLY DECLARE that I am a Member of the Church of England, and of the Congregation of the Church of the Holy Trinity, Toronto ; that I am of the full age of twenty-one years ; that I am an habitual worshipper with the said Congregation, and have been so for three months next preceding the 1st day of January instant ; that I am not registered as a member of any other congregation ; and that during the three months above mentioned I have not voted, nor do I intend to vote, as a member of any other congregation, at an election of Lay Representatives in the next Synod.

This Declaraction is to be signed by all male members of the Congregation desiring to take part in the Vestry, during the first fifteen days of January, in a book kept by the Churchwardens for the purpose ; but persons who have already signed it, and who are still recognized by the Churchwardens as entitled to vote at the next election of Lay Representatives of the Congregation in Synod, need not sign it again.

On or before the 22nd January in each year, the Churchwardens are to put up an alphabetical list in the vestibule of the Church, of those they admit entitled to vote ; and any male member of the Congregation whose name is not on the list so posted up, may apply up to the 15th February to the Churchwardens for permission to sign the Declaration, and have his name added to the list.

Those only who are on the list as finally settled are entitled to act as members of the Vestry and to vote for delegates of this Congregation to the Diocesan Synod for the then ensuing year.
